

October 10, 2003

To: Byron Smith
President-Elect, SC Chapter IAWP

FROM: Beth Mays 
Delegate to Durham, NC

SUBJECT: Hall of Fame Nomination

Please find attached my nomination for the Hall of Fame. Let me know if you need any additional information and if my nomination is chosen.

2003 HALL OF FAME AWARD

I would like to nominate Lorraine Faulds for the Hall of Fame Award. Lorraine has served our chapter tirelessly for 15 years. She is the first person to speak up supporting our local chapter trying to recruit new members. She has served as Vice-President, President-elect, President, and Past-President of our chapter along with serving as the Communications Chair at the same time. Our newsletter has won first place nationally for the past 6 years. She has also served on the International Executive Board for the past several years. In addition, during her year as past-president, Lorraine began negotiations with New Zealand to become a chapter within our International organization.

In 2002 Lorraine began looking into developing a website for the SC Chapter. She has designed and maintained that website ever since. Even when her computer hard drive crashed and she lost everything, Lorraine worked diligently and has kept the website current.

As legislative chair, I have asked Lorraine many times for help. She has found websites, written articles and spent several hours helping me organize my awards package. She did this willingly and with a smile. She is always available if I need advice concerning IAWP matters. In addition, she has assisted other officers in preparing their awards for mailing.

Every year, the sub-chapter collects holiday cards to send to St. Jude's Ranch for children. These cards are recycled into new cards. Lorraine has coordinated this effort. In addition, she has worked with Habitat for Humanity helping build homes for the less fortunate.

Lorraine has attended countless international conventions, state conventions and District V institutes. In addition, when she can she travels and attends subchapter meetings across the state. Knowing Lorraine as we all do and based on these facts, I ask you to consider her for the most prestigious award that our chapter gives to one of its own, the Hall of Fame.
