Ms. Lorraine Faulds
Labor Market Information
631 Hampton Street
Columbia, SC 29202

Dear Ms. Faulds:

A very special thank you from Richland County School District One to you! The valuable information that you gave to 49 middle and high school guidance counselors will help our students make better career choices.

Thank you, again, for coming to both of the training sessions. We look forward to working with you and your agency in the future.

Sincerely,

Miranda N. Blocker
Career Development Consultant
